IN MEMORIAM—HUNTER COLE

Foreword

The theme for the 1952-1953 annual has been taken from Mississippi's newest industry. Humanity has depended upon various media through which to reflect its personalities, its activities, even its dreams and aspirations. This year *Television* has come to our state to enable us to have a better, clearer view of our entire world.

It is the hope of the LION staff that this yearbook, too, will serve as a reflector — a reflector of this year's school events. Our wish is that through the years this book will bring delightful memories as . . .

We take a look at ourselves

THE STAFF

THE LION STAFF

We, the members of the staff, have worked not hours, not days, not weeks, but months to give you the true picture of our years at K.C.A.H.S. and E.M.J.C.

*Now hear it is
Your 1953 LION!
We hope you like it.*

EMJC for the past three years has been fortunate in having as its head coach, Bob Sullivan, one of the most capable men in the athletic field today. To you, the *Big Coach*, who has produced some of the greatest football teams EMJC has known, we dedicate our 1953 LION.

The background of the page features a stylized illustration of two large, muscular figures. They are depicted from the waist up, wearing simple loincloths. Each figure holds a large, cylindrical object, possibly a can or a drum, above its head. The figures are rendered with bold, black outlines and some shading to suggest muscle and form. They are holding up a banner that spans the width of the page.

Scooba Rolls To 40-20 Win Over Decatur

Roy Simpson returned East Mississippi line-up Sunday night, October 25 to lead the Lions to a decisive 40-20 victory over the East Central at the University of Decatur in Ray Stadium. 8,000 excited fans watched the contest in which Scooba played their strongest offense and took the season to make a comeback. East Mississippi's first iron victory over East Central in the last 14 meetings of the teams.

Simpson, after being out with a broken jaw, set the pace by scoring four touchdowns on runs of 22, 5, 8, and 12 yards. He was helped in the backfield by Charles McDonald, Smith, and

MEMBERS—Imogene McAlister, Pat Watts, James Ruffin, Doris Henderson, Martha Van Bibber, Jeannette Jones, Betty Parke, Dean Hemphill, and Doctor Dean.

The Religious Activities Committee is composed of students representing different denominations on the campus and two faculty members. An essential part of the education program of E. M. J. C. is the religious atmosphere. The committee plans the weekly vesper service conducted each Wednesday evening, helps plan the religious emphasis week sponsored by the college each spring, and promotes interest in the other various religious projects at the college. We think that the 1952-1953 committee did a commendable job!

THE BAPTIST STUDENT UNION COUNCIL

The Baptist Student Union Council is composed of members of the Baptist Student Union. The purpose of this council is to plan for the Union as a whole and then to present the plans that have been made to the entire group. This organization strives to bring the church and Christ closer to the Baptist students and their friends on the campus through the many activities which they sponsor.

Ours was the scholastic honorary society on the campus, but our members had to score high in the kitchen as well as in the registrar's office. Remember those Phi Theta Kappa suppers we prepared? Good food made good students of us. Our motto might well have been, "Eat, drink, and be merry, for we have worked already!" Requirements for membership included good moral character, leadership, and maintenance of at least a B average in our studies. The E. M. J. C. chapter is a member of the national junior college scholastic honorary organization.

FUTURE FARMERS OF AMERICA

Kemper County Agricultural High School had the largest number of members in 1952-1953 that it has had in the past eight years, and probably the largest in the history of the school chapter. Under the direction of Mr. Amacker, our advisor, this chapter has had a State, a Tri-State, and a second place winner of Southern States in public speaking. It has also had one crops, one dairy, and four livestock teams that won in Council and District Judging and that competed for state honors.

*There's a lad Scooba remembers;
and he has more years to "serve"*

There's an unsung hero at East Mississippi Junior College. A married man with a child, this Roy Simpson played half-back for Coach Bob Sullivan, leading them to a fourth place college circuit.

Unless you saw him in action, you'd have no idea of his averages and figures he piled up.

The last time he was in the hospital of age.

That 1, against the odds, he managed to collect. He had about called back.

RECORD CROWD FOR EMJC HOMECOMING

November 8, 1952

Homecoming Day festivities at the East Mississippi Junior College and Kemper County Agricultural High School were held at Scooba, November 8, 1952 to celebrate the Silver Anniversary of the college.

Among the interesting events were the basketball games between the alumni and the regular students, a buffet supper in the dining hall, a meeting of the alumni association at which former students were recognized, the football game between EMJC Lions and Senatobia Rangers in which the Lions triumphed 55-7, and a dance in the college recreational center.

Mrs. Christine Jackson of Macon, Mississippi, was elected president of the East Mississippi Junior College Alumni Association. Other officers elected were: D. D. Briggs, of York, Alabama, Vice President and A. J. Oubre, Jr., of Scooba, Secretary and Treasurer.

Prior to the football game, Martha Van Bibber was crowned Homecoming Queen by Houston Harrison and was presented a birthday cake by Roy Simpson, this being the 25th anniversary of the college. Her court was composed of Ouida Hemphill, Peggy Wilson, Betty Jo Steelman, and Nancy Hamilton. The queen and her attendants were seated on a gaily decorated float.

During the half time a float having the appearance of a large birthday cake brought upon the field the college drill squad composed of talented girls who gave a program of drills and dance numbers under the direction of Mrs. Jack Aust, Jr. The band also performed at this time.

A record crowd, a winning score, and colorful entertainment made our Homecoming a great day!

COLLEGE BOYS' BASKETBALL TEAM

Hustlers! That's the earned name for our basketball players. EMJC may not have had the best boys' basketball in the Mississippi Junior College League as far as winning games was concerned, but we never saw a more spirited group of young men nor a faster group. We were always sure of good entertainment when they were in action.

PLAYERS—Marcus Stokes, Billy Stokes, Tommy Covington, Max Johnson, Billy H. Smith, Pat Knight, Gary Gibson, Clois Cheatham, Bob Langford, Billy Phillips, Bernard Rush, Norwood Williamson, Charles Pearce, Thomas Rivers, LeRoy Lang, Coach Currie, and Richard Chambers, Manager.

COLLEGE GIRLS' BASKETBALL TEAM

The EMJC girls' basketball team, under the capable leadership of Coach Clayton Blount, demonstrated one of the finest brands of basketball seen in this area for some time. The girls played a very fast and unique game of ball. On the court, they clicked with the smoothness of well oiled machinery. Their record at the time this copy was sent to the publisher was 10 wins and no losses including the defeat of the defending state championship girls from Booneville. The EMJC female team was the only undefeated girls team in the Junior College loop with a clear record behind them and the student body to spark them on to victory. They were the top threat to the Mississippi Junior College Championship for 1953.

PLAYERS—Elizabeth Morgan, Betty Jo Steelman, Martha Wood, Helen McIntosh, Peggy Wilson, Beth Houston, Carrie Lee Burselon, Doris Ross, Gaynell Napp, Barbara Holder, Bobbye May, Retha Hand, Allie Edwards, Imogene McAllister, and Betty Spears.
